**HELP!**

As you face the East end of church with its eye-catching crucifix you may have noticed the water damage on the same wall.

We used the scaffolding that was recently removed in order that the church roof could be inspected.

The resulting survey indicates that we need to spend **£20,000** to make the roof 'fit for purpose'.

We are hoping to raise this money as soon as possible in order that further damage to our lovely church is avoided.

If you are able to help, or to suggest ways in which we might raise it, please let us know.

Thank you. Janet & Mike

**GraveTalk**

The truth is we are all going to die. But nobody wants to say anything. GraveTalk is a chance to talk about death, think about your funeral, ask questions, air your thoughts.
