A Warning from the Archdeacon

I thought I should let you know of something that happened during our service.

Two teenage boys arrived and were asked if they wanted to sit down but refused and stood at the back of church for about 20 minutes.

During the Peace, they circulated shaking hands and wishing the peace to those who approached them. They then sat on a pew where one lady was sitting. The two ladies in the pew behind witnessed one of them putting his hand in the lady in front's handbag and they stopped him. After this they got up and left.

The boys were about 15, dark hair and dark skin, probably Eastern European background, they were about 5ft 5 inches tall.
