Godparents

The Godparents' role is to speak on behalf of the child being baptised during the baptism service itself and to support the parents in bringing the child up as a Christian within the family of the Church.

In order that they can fulfil their role Godparents need be able to make the declarations and promises in the baptism services, which is why the Church of England requires all Godparents to be baptised themselves and normally to be confirmed as well.

Declaration By The Parents

(As set out in the preface to the Baptism service)

We declare that our child has not previously been baptised.

We are prepared, to the best of our ability, to give our child a Christian upbringing within the family of Christ's church.

We shall help our child to be regular in public worship and in private prayer, not only by our teaching, but by our example and our prayers.

We shall encourage our child in due time to be CONFIRMED and to receive HOLY COMMUNION.
